

SEVERAL PROTAGONISTS ALREADY ENROLLED IN THE 42ND TROFEO DELLE INDUSTRIE TO TAKE PLACE NEXT NOVEMBER 10TH AT THE SOUTH GARDA KARTING TRACK OF LONATO

An interesting battle among the European Champion Lando Norris and Lorandi brothers will certainly take place in KF3. Callum Hott among the top drivers in KF2, while several International stars are expected to race in KZ2. 60 Mini quite crowded already, a lot of the most competitive young drivers of this season to be present.

Enrollment to the 42nd edition of the “Trofeo delle Industrie” – Memorial Carlo Fabi, race scheduled from 8 to 10 November at the South Garda Karting circuit of Lonato del Garda (Brescia), had a very good start. The event is organized by Parma Karting Asd and is part of the International CIK-FIA calendar.

In the four categories on track, the challenge in KF3 announces to be particularly interesting as the Brit Lando Norris (FA Kart) will be fielded by team Ricky Flynn Motorsport. The British driver has won the European Junior Championship, the KF Junior Super Cup, the WSK Euro Series and WSK Master Series so far in this season. Team Ricky Flynn will also line Max Fewtrell and Enaam Ahmed up alongside with Norris.

The British team will have to face the challenge of Baby Race that will bring on track the very strong brothers Alessio and Leonardo Lorandi as well as former Formula 1 driver

Jean Alesi's son Giuliano Alesi, who is getting more and more competitive after the apprenticeship in the category.

In KF2 the Brit Callum Iloft (Zanardi) will be among the top names on track with team Chiesa Corse. This year the British driver moved to the higher category after winning last year's edition of the Trofeo delle Industrie in KF3; in KZ2 – the category with the shift – the protagonists of several international championships already announced their presence which makes envisage for a very competitive entry list.

Very good figures also for the provisional 60 Mini's entry list. Several of the most competitive protagonists of this season already entered the category reserved to the youngest drivers, such as Nicola Abrusci and Marzio Moretti for Baby Race, Abdul Gafar Muizzuddin, Bogdan Fetisov, Noah Watt, Johany Arsh, Muhammad Said and Nazim Azman in force at Gamoto, and other certain protagonists like Leonardo Marseglia, Riccardo Massa, Christian Cobellini, Alexandre and Nicole Zailinger, and many more.

All categories will have an enrollment restriction with a cap of 30 drivers for 60 Mini, 54 for KF3 and KZ2 and 34 for KF2.

Entry forms and all information about the race will be available at the website www.parmakarting.it
